Where does liability land if Automated External Defibrillators (AEDs) are put in each building of the county?	Where does liability land if Automated External Defibrillators (AEDs) are put in each building of the county? Follow Up AED use is covered by the Good Samaritan Law, and liability would be limited by other governmental immunities.	Where does liability land if Automated External Defibrillators (AEDs) are put in each building of the county? Follow Up Although covered by the Good Samaritan Law, employees should be trained on AED use. Most fire departments will do this at no charge.
